# *Foreword*

Bowling is one of the most healthful indoor recreations; it exercises every muscle in the body, teaches one to be accurate and develops a resolute control of arms and legs. It gives recreation, diversion, pleasure and healthful exercise to more people than any other sport for every month in the year in that it is primarily a game for participants.

Great strides have been made in the growth of the game nationally since the organization of the American Bowling Congress, and also locally since our own Association was formed.

Only through your co-operation is it possible to make this book complete in its information and items of interest to you, and its aim is to help you know bowlers and bowling better in the Louisville area.

In this 1964 Edition of the Year Book, names of bowlers are listed alphabetically, showing the highest average for the season of 1963-64. All are based on 21 or more games as per our rules. Preceding the averages (in the blue section) is a code identifying the league and lanes where the average was established.

All material, cuts, and wording used in ads were submitted by the advertisers, and in no way reflects the opinion of the publisher; nor should it be considered an endorsement by the Greater Louisville Bowling Association.

We wish to extend our sincere thanks to you, and want you to know that the energy, enthusiasm and constant loyalty which has made bowling what it is today, is deeply appreciated by the officers of your City Association.

## **DEDICATION**

This, the eleventh edition of the Year Book, in printed form, is dedicated to Dean Eagle, Editor of Sports for the Louisville Times.

While never a zealous bowler himself, Dean upon becoming editor opened the sports pages to more and better bowling coverage. Conducive with this action, special events and tournaments were brought into a sharper focus, aiding in the rapid build-up and a boom period for bowling.

Dean is a keen analyst of all sporting events and widely read by his colleagues in the sports world. The bowlers of Louisville are most fortunate in having his esteem. In return 25,000 G.L.B.A. members extend to him their highest regards.

# JACK KOCH

## President, Greater Louisville Bowling Association

John O. Koch, better known as Jack, was elected to the Executive Committee in May, 1957, and assumed the presidency on August 1, 1964.

Jack Koch has been a bowler for approximately thirty of his forty-seven years of life. He is an avid fan and has been an active participant in all sports.

Jack compiles the statistics and helps with the color descriptions of football and basketball games for WHAS-Radio and TV. He has been an employee for thirty years and is business manager of the station.

He is a director in the Quarter Century Bowling Association; a bowling league officer and was particularly active on the by-laws and publicity committees as an Association line officer.

Jack has been an 180-average bowler for the last ten years so it is little wonder that his wife, Doris, along with their children, Jack, Jr., Lynn and Raymond, also are bowlers.

Elise, the youngest, still is a few years from competition.

As a "pet project" for his term as president, Jack plans to set up a Greater Louisville Bowling Association "Hall of Fame" to honor past and present men who have brought honors to Louisville . . . not only for bowling accomplishments but what they have done for the game of bowling in this area.

## EXECUTIVE COMMITTEE — LIFE MEMBERS

### To the Bowlers of the Falls Cities Area:

I was deeply honored when I became President of the Greater Louisville Bowling Association and was elected to serve through the term of 1963-64.

I enjoyed my year as President in that bowling today is not necessarily a sport, but a way of life. My time spent in the office was made pleasurable because of the cooperation and the help that I received from all of the officers, active life members and members of the Board of Directors. I hope that I have served you well and I again thank all of you, including all the people that I received suggestions from in regard to the Greater Louisville Bowling Association, and I thank you for the opportunity to serve as your President.

I will continue to be active and will give all my time and effort to this great sport and way of life, known as bowling.

Sincerely yours,

**SIDNEY BAER**, Retiring President

## A MESSAGE FROM THE SECRETARY

I am happy again to report that membership is up  $2\frac{1}{2}\%$  above last year. We have over 22,000 members; this does not include summer membership, which should be another 2,000.

The addition of the seniors division as a part of the ABC program should play a part in the growth in the future. Last year there were only two senior leagues in this association. Indications are that this can become a truly important area of growth in the future.

At the ABC convention in Oakland this year the delegates adopted a resolution along with W.I.B.C. to take over the administration of American Junior Bowling Congress.

This program, when it becomes effective, would be handled in the same manner as adult membership.

The G.L.B.A. reviewed more cases which resulted in more bowlers being suspended from this area in the past year, than in any previous year.

Most cases heard were for failure to pay league fees. However, four league secretaries were suspended for failure to turn in final averages for their league in time for the Average Book.

During the last 12 months there was an unusually large number of cases reported to this association of discrepancies in the league funds. Most of these shortages were made up, and no claims were filed.

This could be avoided if the league president would insist upon the treasurer depositing all money received within seven days in a recognized bank or credit union. Deposits must be made in the name of the league, and have two league officers' signatures for withdrawals. Every month the president must personally verify the correctness of the account. To verify a checking account have the bank mail the monthly statement directly to the president. For a savings account have a verification form filled out at the bank. A supply of these forms were included in the "President Envelope" sent to the league secretary at the start of the season.

If there is a shortage and the president has failed to verify the bank account, he is subject to suspension from the ABC.

The G.L.B.A. has a representative at all establishments. Should you need any help in getting your league sanctioned, or any problems that you may have, please feel free to contact him. His name and phone number is posted in a conspicuous place.

By attending the annual and pre-season meetings. You will secure information vital to the operation of your league.

Best wishes for a successful season.

Perry A. Cruse,  
Secretary, G.L.B.A.

## THE GREATER LOUISVILLE BOWLING ASSOCIATION AND YOU, THE BOWLER

The Greater Louisville Bowling Association is a chartered affiliate of the American Bowling Congress, created by its members to promulgate laws and rules for their own competitive play, to promote the game of American Ten Pins in all its phases and do for bowlers through organization what could never be accomplished by individuals or individual leagues. It is a non-profit organization operated and conducted by its members.

You, the bowler, are part of and hold membership in the local organization of more than 20,000 members. As such, some of the services provided for you by the Greater Louisville Bowling Association (exclusive of A.B.C. services) are as follows:

- Certifies all bowling lanes, annual inspection of equipment.
- Approves sanctions for all leagues and tournaments.
- A permanent association Secretary who is on duty daily.
- Distributes supplies to all league officers, covering every need of a league for a complete season.
- Furnishes arm patches to the President and Secretary of each league, for identification purposes.
- Maintains an office where supplies and membership cards may be obtained immediately.
- Conducts and promotes an Annual City Tournament.
- Conducts annual City Association Meeting in May.
- Conducts a school for league officers in August, at which new rules and regulations are discussed.
- Publishes an Annual Average and Year Book which all Secretaries and team Captains receive.

- Annual awards for high scoring achievements of local bowlers.
- Assistance and promotion for physically handicapped bowlers.

## COURTESIES OF THE LANES

Etiquette and sportsmanship go hand in hand in all forms of sports. Observing a few basic courtesies can add much to your pleasure and scores thus gaining you the respect of your companions.

---

- *The beginner should be helped, not ridiculed; a prospective bowler could be laughed out of the sport. At all times confine remarks to the bench.*
- *Turn scoremarking duties over to someone else BEFORE it is your turn to bowl. Others can be adept at keeping score as you.*
- *Be prepared to take your turn promptly. Meet the player ahead of you as he comes off the approach.*
- *Give right of way to bowlers already on approach. In event corresponding bowlers address the pins at the same time the man on the right should take the initiative.*
- *Get set for your shot, don't waste your time and everybody else's by useless posing or waiting until everybody in the establishment is off the approaches.*
- *After each delivery move to the rear of the runway. This assures players in adjacent lanes of no interference from you.*
- *The runways may not be exactly to your liking, but don't attempt to condition them yourself. The management is much better equipped to do the job.*
- *When the match is over leave the playing area promptly. Scores can be tallied away from the lanes and the next group of bowlers can start their games.*
- *Play the game to win, but be a gracious loser if you are on the short end of the count when the game is over. Bowling is a social sport.*

Compliments of

**GEORGE E. GRAF**

## EARLY HISTORY OF BOWLING . . . . . In Louisville

The Greater Louisville Bowling Association was first a matter of formality before it became a permanent organization. The Association would hold a meeting each year just prior to the American Bowling Congress Tournament, and then each club in Louisville, that contemplated attending the A.B.C. Tournament would pay the necessary dues. This procedure was followed each year until 1907 when a permanent organization was effected. The officers chosen for this charter organization of 1907, were E. B. Addison, President; John J. Barry, First Vice-President; F. J. Manteuffel, Second Vice-President, and J. L. Schramme, Secretary-Treasurer.

*(The above was taken from some old records on hand; however, from an A.B.C. yearbook we find the following notation: Louisville was one of the first cities to form an association (1899) and join the A.B.C. after its foundation in 1895.)*

Around 1900 there was an eight-club traveling league known as the Louisville Bowling League. They rolled at Owen's Alleys at 20th and Chestnut; Keoner Bros. at 18th and Walnut; West End Alleys at 25th and Market, and Obst Alleys at Hancock and Breckinridge.

The first bowling tournament in Louisville was conducted at the Owen Bowling Alleys, 635-637 S. 4th St., from June 24 through 30. The Rough Riders won the championship with a score of 2688.

Louisville was host to an American Bowling Congress Tournament in 1906 and the building used was our Armory at 6th and Walnut Sts. Sixteen lanes were installed there for use in the tournament and the event lasted eleven days, March 17 to 27. The entry list showed 221 five-man teams, 460 doubles and 897 singles. The prize list amounted to \$12,418.50

Following the A.B.C. Tournament held in Pittsburgh in 1910, Price Owen, Chas. Herman and Alf Martin took up the matter of classification and at the annual meeting of the L.B.A. held in August, 1910, the classification basis proposed by Mr. Owen and the By-Laws and the Constitution of the L.B.A. were adopted after a hard fight. Price Owen also advocated the incorporation of the L.B.A. Louisville then was the only City Association at that time that was incorporated and the only city that was operating its leagues on a classification basis. The wisdom of this idea has been proven by time, as all cities of any consequence as bowling centers, have adopted some form of classification in order that the low or mediocre bowler might compete in leagues with men of his own ability.

Louisville and New York City are the only city associations with the distinction of having had four men serve as President of the American Bowling Congress. The Louisville men were in order of service: In 1905-06, J. H. "Jake" Haager, a Police Chief for the City of Louisville; in 1918-19 and again in 1919-20, Robert "Bob" Brown, a local sports editor; in 1934-35, Alf F. Martin, a claim agent of the L. & N. R.R. and the late John L. Sullivan, long-time secretary of the L.B.A. in 1950-51.

To give you an idea of the growth of bowling in Louisville, in 1900 there was one team registered with the A.B.C. In 1910 there were 33, dropped to 22 in 1920. In 1926 we had 46 teams but 1927 brought an increase in bowling to make rapid strides, there were 187 teams registered. The number grew each year and for the 1963-64 season the Louisville area had over 7,000 teams.

The records of the association were lost for a period of years and our present records only date back to 1929.

## THE BOWLING FRATERNITIES

The following articles are of associations, clubs and organizations pertinent to the bowlers of the Louisville area.

As truly as bowling is a sport it is also social and civic in its embrace, thus calling for many diversified organizations to administer its many activities. The G. L. B. A. participates in many of these clubs and is always willing to advise or assist in the formation of any new ones.

### LOUISVILLE BOWLING COUNCIL

The Louisville Bowling Council consists of four members each from the Men's and Women's Associations, the Bowling Proprietor's Association and the Manufacturers or agents of bowling equipment. It has been in existence since 1948. The purpose and slogan of the Council is "Promoting harmony among all groups identified with bowling in general."

One of the main functions of the Council is the annual promotion of the Polo and Crippled Children Drive. This being the only charitable drive staged and sponsored by the Council for the bowlers of this area.

This past year, the bowlers voluntarily contributed a net of \$5,130.67. Distribution was as follows: Kosau Crippled Children's Hospital; Fr. Pat's Cerebral Palsy School; Local Muscular Dystrophy; National Foundation March of Dimes; Kentuckiana Chiropractic Center, and Indiana distribution, from Hoosier bowlers; Southeastern Rehabilitation Center; Joseph Rauch Memorial School. Over a period of 16 years the bowlers of the Greater Louisville Area have contributed to the Crippled Children a grand total of \$84,506.48. On behalf of the Louisville Bowling Council, Chairman Jimmie Chambers would like to thank all the contributing bowlers.

Officers of the Council are: Jimmie Chambers, Chairman; Frances Schr, 1st Vice Chairman and Nellie Nau, Secretary-Treasurer.

### KENTUCKY STATE BOWLING ASSOCIATION

#### Louisville In '64

The Kentucky State Bowling Association was officially organized in the summer of 1956. Its purpose to promote bowling in our State of Kentucky and foster good sportsmanship among our bowlers.

The K.S.B.A. and its attendant tournament has continued to grow in size and stature and has brought to the state a more common bond and a greater working knowledge of our favorite sport. The continued boom and ever-increasing installation of new lanes throughout the state calls for an even more important role for this Association.

At the annual meeting in Owensboro, the following officers were elected: John Menges, Louisville, President; Eddie Stewart, Ashland, 1st Vice President; Charles McNally, Prestonburg, 2nd Vice President; James Howard, Richmond, 3rd Vice President; Robert Coleman, Hopkinsville, 4th Vice President. All of these men were elected for a one year term, until the ninth annual meeting in Louisville on November 29, 1964. James D. Bradley, Lexington, is the Secretary-Treasurer whose term will expire in two years.

The ninth annual tournament will be in Louisville on week ends of November 14th, 21st and 28th. All the events will be held at Parkmoor Recreation.

The K. S. B. A. had its second annual jamboree at Prestonburg on Saturday, June 8, 1964. The first was in Louisville the previous year.

# SOUTHERN BOWLING CONGRESS

In Mobile In '65

Memphis, Tennessee was the host of both the 27th Annual Meeting and Tournament of the Southern Bowling Congress. Tom Nolen, Tournament Manager, and the Memphis Bowling Association worked hard on making this the second largest in regards to entries with 759 teams, 1527 doubles, 3054 singles and 2706 all events making a record prize fund of \$43,639.80.

Al Ross, St. Petersburg, Florida, was elected President to replace the outgoing President Harry Benge. Hot Springs, Arkansas Ed Gardner, Paducah, was reelected Vice President from Kentucky while Cecil Powell, Frankfort, Lloyd Terry, Owensboro, and Gene Wells, Louisville, will again serve as Directors from Kentucky.

At the Annual Meeting, Columbia, South Carolina was awarded the 1966 SBC Tournament. The body agreed to continue the Classic Division another year using the same format as last year. The higher average bowlers should give this Division of the Tournament special consideration as it closely parallels the Regular Division of the American Bowling Congress.

The Southern Bowling Congress Tournament is now the largest of all the ABC sectional tournaments. Next year, with the Tournament in Mobile, the Louisville Bowlers should investigate the vacation possibilities of combining a vacation and a bowling trip. Host George Stevens, Tournament Manager, and the rest of the Mobile Bowling Association guarantees the bowlers all the free shrimp that they can eat after bowling each Saturday night.

Let us all score a double by rolling in Mobile and having a vacation, too, in the sunny South.

## QUARTER CENTURY BOWLERS ASSOCIATION

During the summer of 1948 the late Charlie Frank, Sr., attended a meeting, in Chicago, of a group of men delegated to form an association of the older bowlers, both active and retired, who wished to perpetuate the pleasant friendships and experience accumulated during those early years.

The result of this meeting was the forming of a body of men to be known as the Quarter Century Bowlers Association, its purpose being to have different cities organize a branch, of the parent body wherein the members could get together as often as possible, swap yarns, renew old acquaintances and have a good time.

The idea seemed so good that Charlie called a group of his friends together forming a Louisville Chapter, now known as Home No. 5. The original membership had a list of 40 men and elected George E. Graf, President; Newton Seibert, Vice-President and Matt Hillerich, Secretary.

The only requisite for membership is to be a male bowler and having bowled at least 25 years, whether in league or open play. The dues are \$2.00 per year and there is no initiation or regular bowling. This is strictly a social organization.

Each December the membership convenes to elect new officers and have a good time, this is known as the Christmas Party. In April a Spring Party is held and in August an Annual Stag Outing. Members are privileged to bring guests to all functions at which food, refreshments and entertainment are always on hand. Each year in November an Annual Tournament is held for those members who care to participate. Winner of the 1963 Singles Tournament was Seymour T. Hull.

There are now 200 active members and available space for many more who care to join the 'Old Timers' and have a good time. If you are eligible and wish to join, contact a friend who is a member or call any of the officers listed below.

Officers for 1964 are: Guy C. Wilson, President; Louis Knowland, Vice-President and Secretary-Treasurer, Andy Kostolnik, Jr., 2302 W. Lee Street, Phone 778-1549.

## BOWLING PROPRIETORS ASSOCIATION OF LOUISVILLE

To provide the best possible service and condition for bowling and its promotion.

This is the aim of the Bowling Proprietors Association of Louisville, formed on August 20, 1946 by 12 proprietors of bowling establishments in Jefferson County. In 1958 the Association was reorganized and incorporated in the State of Kentucky.

Along with the many changes and improvements in its bowling facilities since the Association was created 18 years ago, is the number of lanes. In 1948 the modest membership consisted of 12 houses with 150 lanes. Today there are 26 houses with 602 lanes.

Since the first meeting, there have been numerous changes in the bowling picture, in and around Louisville. Some establishments have closed and new ones have opened. All members have strived to improve the game of bowling by the installation of ultra-modern facilities and improved conditions for the bowler.

The organization is affiliated with the Bowling Proprietors of America, working closely with them on the Senior Citizen promotion and the Youth Bowling Association for the younger bowlers.

The organization also works closely with the Greater Louisville Bowling Association, the Louisville Women's Bowling Association and the Louisville Bowling Council in keeping the game of bowling a good healthy and enjoyable sport for the whole family.

The Bowling Proprietors of Louisville also sponsors such outstanding tournaments as the Kentucky All Star Elimination for both men and ladies, the State Bowling Proprietors Association of America men's team handicap elimination and a full calendar of tournaments for its Youth Bowling Association program.

Officers for the 1964 65 season are: Claude Boone, President; Jim Weber, Vice-President, Ed Torstrick, Treasurer; Jack Metcalf, Secretary and Lou Frantz, Chairman of the Board.

### SOME ODDS & ENDS . . . In Short

More than 1 million ABC awards were presented during the 1963-64 season.

## HOLY NAME BOWLING ASSOCIATION

The year 1964 marked the Silver Anniversary of the Holy Name Bowling Association. From a beginning of one league, the determined officers and membership have formed an Association which has expanded to practically all areas of the city and county

The Association is governed by an Executive Board consisting of a Chairman, Vice Chairman, Secretary-Treasurer and the officers of all it's leagues. Board meetings are held monthly throughout the year to improve and administer the Association's needs, also to acquaint league officers with the latest rulings and decisions of the American Bowling Congress. This information is then passed on to all affiliated league members. The Board feels that an informed member is a better bowler and sportsman.

In the Association sponsored Annual Sweepstakes the Silver Anniversary winner was the J. Division team sponsored by Frederick's Lanes. Jim Gipe had high actual series and Wayne Ferguson had high actual game.

A field of eleven teams participated in the Holy Name Silver Anniversary Roll Off. Captain Don Scheper's K League team was the winner with a 2876 handicap score. D Scanlon and E. Schmitt of N. League were doubles champs with a handicapped 1144 and singles champ was E. Pluckebaum with a 630 handicap score.

The Association realizes that bowling fulfills the present day need of a clean, relaxing and competitive sport. Chairman Tom Lenahan, with the aid of all Board Members, is establishing the foundation for an even healthier increase in divisions, teams and bowlers in the Holy Name Bowling Association.

## UNION PRINTCRAFTS BOWLING ASSOCIATION

The Union Printcrafts Bowling Association, an affiliate of the Union Printing Crafts Tri-City Bowling Association, whose purpose is to promote an annual tournament, rotating between Cincinnati, Louisville and Indianapolis in that order and which held its 17th annual meet in Louisville in February, 1964, is the outgrowth of the Union Printcrafts Bowling League (still active and affiliated with the Association). The 1965 meet will be held in Indianapolis.

The league was first formed around 1914 and in 1916 a few members got together for a match game with some members from Cincinnati. The result was the formation of the Union Printing Crafts Tri-State Bowling Association eventually spreading to Indianapolis, Dayton, Columbus, Cleveland, Toledo and others totaling about 15 cities in all.

Being stag in its formation, Louisville in 1927 invited the ladies to participate in the social activities for the first time. From there it grew and grew until it finally became too much of a burden for some of the smaller associations to handle.

In 1946 members from Cincinnati, Indianapolis and Louisville met and formed what is now the Union Printing Crafts Tri-City Bowling Association. It was a move in the right direction. From this our local association was formed to include all of our printcraft bowling leagues which now total about six. Our association now has around 600 active members with many more inactive members to draw from.

Most certainly there is no local tournament that compares with the annual Tri-City meet insofar as local participation and social activities are concerned. These meets usually draw from 115 to 152 four-man teams (four-man teams are used to eliminate the need for an extra man in doubles and singles) each year and the total registration including the ladies run around 1,000. A record entry of 152 teams were entered in the 1961 meet here. Louisville led the way with 74 teams. Louisville entered 80 teams in the 1964 meet, here.

# The AMERICAN BOWLING CONGRESS

*what it means to you...*

A membership organization devoted to the game of American tenpins . . . The number of men is now estimated to be 5,000,000 . . . It is the world's largest sports organization.

Striving always to the betterment of bowling, ABC legislates the rules and requirements for equipment in its leagues and tournaments. It supervises, it guides and serves all who compete in its more than 1,000,000 teams around the world.

ABC is non-profit, non-commercial.

It is honored. It is respected. Its rules are accepted wherever American Tenpins are bowled

Its specifications are followed by manufacturers . . . its program of annual inspection and certification of alleys shows which bowling establishments meet ABC requirements.

This standardization of rules and equipment has been a distinct service to the game and the industry supplying its needs.

ABC spends \$5,000.00 each day of the year in service to its members.

Its annual award program costs \$350,000.00 alone . . . this includes awards for high individual games of 300, 299 and 298 . . . awards for seasonal high scores in team and individual classifications . . . awards for seasonal high scoring in each city association . . .

## YOUR MONEY PROTECTED BY ABC BONDING PROGRAM

All league, city and state association officers are automatically bonded in the amount of \$5,000. Their funds are also insured against loss by burglary and hold-up. To obtain full coverage under these programs certain conditions must be followed in the handling of funds. These are:

1. The funds must be deposited in a recognized banking institution weekly in the name of the organization.
2. The treasurer and one other officer of the organization must co-sign for all withdrawals.
3. The president of the organization must verify monthly the balance in the account.

Under the bond only 50% coverage is granted if any or all of these conditions are not observed

The burglary and holdup insurance covers one week's receipts up to \$1,000 and all authorized withdrawals to \$5,000. Unless funds are deposited in a recognized banking institution, the insurance company is liable for only one week's receipts.

## ABC's HOME OFFICE

The national headquarters office of the American Bowling Congress (pictured above) was dedicated on April 25, 1932. This beautiful ultramodern building is located at 1572 E. Capitol Drive in Milwaukee, Wisconsin. An addition has been completed which more than doubles the original capacity of the building. It is here that the Congress' staff of 75 employees, under the direction of Frank K. Baker, ABC secretary, performs the many and varied services of the ABC.

Field offices are maintained in San Mateo, Calif.; New York City, N. Y.; Columbus, Ohio; Atlanta, Ga.; Dallas, Tex.; Portland, Ore., and another in Wisconsin in year-round service to Congress membership

awards for every championship team in every league and city and state association tournament . . . and additional awards for special accomplishments including the Century Award.

Other services feature rule books and a variety of other "tools" essential to the creation and operation of leagues and tournaments. These "tools" include model league constitutions, schedule codes, average calculators and cards, handicap manuals, standing sheets, membership cards and many others.

The climax to every bowling season is the colorful ABC Tournament which attracts 25,000 to 40,000 bowlers each year and pays a prize list from \$300,000 to \$500,000. It is the world's largest participant sport show.

ABC's annual convention is held in conjunction with its tournament. Rule changes and policy plans are formulated by delegates from 2,000 city associations representing the leagues from local areas.

Delegates elect 75 officers and directors and a Secretary-Treasurer to administer ABC's business. With the exception of the Secretary, these officers serve without pay.

ABC publishes BOWLING magazine and provides a News Letter service on bowling events to the press and radio.

Founded in 1895, it was incorporated in 1903.

Thousands of inquiries on rules and other bowling problems are handled by the office each year. It originates 3,400 pieces of mail every day.

Editor's Note: For additional information on the ABC's awards program and services of ABC we refer you to any of the ABC's rule books. There you will find an outline of these services.

## TWO LOUISVILLE TEAMS AT THE 1964 A.B.C. TOURNAMENT

Only 2 Louisville teams made the long trek to the 1964 A.B.C. Tournament at Oakland, California.

Captain Lou Frantz's Sterling Beer Team competed in the Classic Division and Captain Vic Bitter's Falls City Brewers Team was in the Regular Division

This was the 39th consecutive A.B.C. Tournament for Victor Bitter. This tied the record of the late Tommy Owens for most participations in A.B.C. Tournaments by Louisville bowlers.

The 1965 A.B.C. Tournament will be in St. Paul, Minnesota, March 25 thru May 27, 1965.

After Shanks' death he served as secretary until Perry A. Cruse was appointed. Following the retirement of Reece Doughty as treasurer, Carl was elected to that office in May, 1957 and resigned on April 16, 1962.

Carl had charge of the local city tournament records from 1924 to 1957. On several occasions he has served as tournament manager. He was the first chairman of The Louisville Bowling Council, and still takes a very active interest in the G. L. B. A.

## PIN FALL OF 1963-64

By KEN RUSH

*Courier-Journal Bowling Editor*

Rush

From the standpoint of participation, as measured in leagues and individuals, bowling continued its steady progress in the Greater Louisville area during the past year.

Scoring of the spectacular variety was down somewhat from the past few seasons, although there seemed to be a general increase in 600's and high games. Many new names were appearing on the lists of those rolling better-than-average scores.

Nevertheless, there was a bumper crop of 83 league and tournament series of 700 or better and some 16 men wound up with a total of 20 league averages over 200

Veteran Mike Gast posted the year's highest three-game league series, a 769, and also had the top league average among team regulars with 203-plus. Three others — Bert Swearingen, Lou Frantz and Rich Robinette — tied him at 203, but Gast won No. 1 position on pin carryover. Sonny Osborne was higher with 207 but on a basis of just 21 games, the minimum for establishing an average.

It was a good year for Gast otherwise, too. He won the state all-events championship at Owensboro, giving him an entry in the American Bowling Congress Masters Tournament at Oakland, Cal. And he was on the Sterling Beer team that rolled the season-high series of 3281 in the Western Classic League at Western Lanes. The season's top game of 1209 was registered in the United Major League at Thelma Lanes by captain Les Inman's Ready Electric team.

Two sanctioned 300 games were rolled during the year by Ben Matthews, a first-year bowler at Shelby Lanes in Shelbyville, which is affiliated with the Greater Louisville Bowling Association, and by Leland Barnes, a veteran Louisville, at Hazelwood Lanes. Don Sidebottom and George Ficks had near-misses with 299's.

Harry Smith, who said he's not related to the well-known pro bowler of the same name, turned in the highest reported triplicate, an even 200-200-200 — 600, at Algonquin Center.

Louisvillians continued to show credit to this area on the national scene.

Lou Frantz and his partner, Tommy Tuttle of North Carolina, won the Cleveland Regional title and then finished third in the finals of the National Men's Doubles at St. Charles, Mo.

Frantz's Sterling Beer team placed ninth, barely missing the finals, in the National Five-Man Championships at Chicago. The same quintet placed first in the State Tournament at Owensboro and in the Classic Division of the Southern Bowling Congress Tournament at Memphis, Tenn.

Lou also captured a record sixth State All-Star title, heading the Kentucky delegation in the National All-Star at Dallas, Tex. Jimmy Spalding finished second but gave up his qualifying spot in the "National" to third-place Al Kaelin because of a knee injury. Cleo McGovern of Bellevue was the women's Kentucky champ.

One of the highlights of the State All-Star was a big 754 722 -1476 series in a s.x-game semi-final block by Sonny Frantz, who went on to become the tourney's qualifying leader.

In the annual National Team Handicap Championships at Independence, Mo., captain Jim Bunnell's Indian Trail Lanes team, which won the city roll-off, finished 22d in a field of 33 teams.

There were many activities of a new nature on the local scene. A league for blind bowlers was organized and sanctioned for the first time. A "senior citizens" league (for those over 60) had a highly pleasant inaugural season. And Kentucky's first State Intercollegiate Tournament was held in Louisville under A. B. C. sanction.

Dixie Bowl, with 24 lanes, joined the growing tenpin colony, and there were reports of other possible new centers.

And Louisville was getting ready to go back on the professional tour schedule with an August tournament at Thelmal Lanes.

### HALL of FAME

A very definite project of the association for the 1964-65 season is the formation of the Greater Louisville Bowling Association's "Hall of Fame". A committee is being formed to draft a constitution outlining eligibility requirements and to establish nominating and voting committees

At the conclusion of the '65 season the first members of the G.L.B.A. "Hall of Fame" will be inducted with appropriate ceremonies and awards

The "Hall of Fame" will be open to deceased as well as living members

You will receive information on this project through the association office and will be reading about it in the local press whose sports editors have endorsed it enthusiastically.

Should you have information or know a relative of a deceased member who may have records or scrap books containing various accomplishments of area bowlers, please contact Jack Koch G.L.B.A. President, care of WHAS, Louisville, Ky. 40202, or Perry A. Cruse, Association Secretary, at the G.L.B.A. office.

This label is your assurance that the work was done by master craftsmen members of the five printing trade unions. It also is your assurance that the user's relationship with his employee is American.

By adopting the Union Label on your printed material, it will bear a message of good will, not only to the organized workers and their families in Louisville, but also to unorganized workers who realize that favorable working conditions are maintained only through the organization of the worker.
